REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 1440

Ms. STEFANIK. Mr. Speaker, I hereby remove my name as cosponsor of H.R. 1440.

The SPEAKER pro tempore (Mr. CARTER of Louisiana). The gentlewoman's request is accepted.

SUPPORT AMERICAN ECONOMIC COMPETITIVENESS

(Ms. UNDERWOOD asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. UNDERWOOD. Mr. Speaker, investing in innovation is vital to strengthening America's economic and national security. That is why I supported the America COMPETES Act of 2022, which makes a historic investment in American technology and innovation.

This bipartisan bill addresses 21st century challenges by turbocharging the domestic production of semiconductors, increasing the manufacturing workforce, and investing in STEM education. I am proud that my amendment, which creates partnerships with local industries to tailor STEM education to local economic needs, was included in the House version of the bill.

This amendment will broaden the scope of STEM education and offer new opportunities in rural communities like much of my district. With transformative investments in some of Illinois' biggest industries, like manufacturing, education, energy, and biotechnology, the America COMPETES Act will strengthen the STEM pipeline in my district and across the country.

I am proud of this bipartisan effort to support American economic competitiveness and urge my Senate colleagues to act quickly to send this legislation to the President's desk.

FENTANYL CRISIS

(Mr. HARRIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HARRIS. Mr. Speaker, we surpassed 100,000 overdose deaths this year, a 28 percent increase. The amount of fentanyl seized at our southern border—seized—is over 100 million pills and 11,000 pounds. Now, as a physician who has administered fentanyl, this is enough to kill hundreds of mil-

lions of Americans. The price of heroin is now down to \$20 a dose; the price of fentanyl down to \$2.

One stunning supply chain success this administration has under its belt is the fentanyl supply chain across our southern border. One place this administration has successfully fought inflation is in lowering the price of illegal opioids on our streets.

The latest effort by this administration to promote drug use is now to spend \$30 million to supply clean crack-smoking pipes to addicts.

Mr. Speaker, just say no.

ACTING ON HUMANITARIAN CRISIS IN SYRIA

(Ms. NEWMAN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. NEWMAN. Mr. Speaker, I rise today because there is a humanitarian crisis in Syria right now. For the past 2 years, there have been tens of thousands of Syrians in the Rukban settlement suffering from not only starvation but a lack of medical care.

The last remaining UNICEF clinic in this encampment closed in March 2020, right at the onset of the global pandemic. Since then, thousands in the camp have tested positive but have nowhere to quarantine. They don't have access to vaccines. They don't have access to medical care. They do not have access to clean water.

With Russia and the Assad regimes preventing aid from reaching the camp, I am calling on the U.S. to implore immediate action to intervene and help.

We have a fundamental obligation to save thousands of Syrian lives.

CONGRATULATING SHARON HUGHES FOR 20 YEARS OF SERVICE

(Mr. DAVIDSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIDSON. Mr. Speaker, I rise today to congratulate and thank Sharon Hughes for her 20 years of service to the Eighth District of Ohio.

Sharon was born in Marion, Ohio, and attended Bowling Green State University. She worked for Congressman John Boehner from 2002 to 2016, and she has been a dedicated staff member in my office since 2016. She served as a caseworker and office manager, and also directed the military academy nomination process with excellence, and the Congressional Art Competition with excellence as well.

Outside of her congressional work, she also served in several leadership roles for the Butler Philharmonic Orchestra.

During her 20 years of service to the Eighth District of Ohio, Sharon has made a difference in the lives of countless constituents, including assisting in
